

Municipality of Trent Lakes

Regular Council Meeting

November 5, 2019

Many thanks to Adri Eastman who took notes at the council meeting while I attended the Remembrance Day Ceremony at 1:00 p.m. at the BCC.

- Public meeting for Dekker, asking for relief of a zoning by-law, became more involved with a non compliant boathouse. Application deferred.

Presentations

-new agreement with the Humane Society was approved – the agreement is accessible online in the agenda for this meeting.

Delegations

-Social Services update demonstrated need for rural transportation, daycare, affordable housing demands

-Coordinated Access System delegation explained need to care for homeless, better servicing and making more connections

-Mount Community Centre Presentation – great facility serving disabled, working poor, offering many services to the community. County helpful.

-Comprehensive Zoning By-Law – controversy over public communication re zoning bylaw amendments

-Report to address housekeeping Comprehensive Zoning Bylaw-staff dealing with clarifying for decision making

-Snow fences – delegation asked whether there should be a by-law? Staff recommended letting property standards govern this.

Building and Planning

-new lots approved on County Road 36

-Shallow Rapids Site plan Agreement – approved

-Council approved transfer of funds to the blood lab.

Donna Teggart –

Recycling costs up 62%, staff to look into reducing trucking costs

OPP billing approved for 5 years

Galway rd speed limit petition - leave status quo
50k

Jessie Clark –

With legal consent a portion of Galway Rd to be sold

Correspondence –

All correspondence- receive for information

By-Laws

Bylaws 106-107-108 deferred
108-114 approved

Business Arising out of Previous Meeting

Cultural sensitivity training scheduled for Nov 14 9:00 am
Waiting for more info from the province on Building Code Services
Peterborough County sign By-law input to stay as per last meeting
County deals with County, Municipality with Municipal roads

Facilities Master Plan- no discussion, waiting for more input from ratepayers and anyone with valid concerns
Deadline Nov 15/2019, will likely make no decisions until the spring

Budget Meeting Dec 17 @ 8:30

Councillor Lamshead and Armstrong going to ROMA
Councillor Letto to OEMC
Mayor Clarkson and Deputy Mayor Windover to Ottawa to AMO
Delegations to include Tourism and Natural Resources

May I remind you of the Strategic Facilities Master Plan which I included on the previous minutes. Input from ratepayers is asked for by Nov 15. Issues such as a centralized road depot in Galway, building of new fire halls, renewing and replacing of community centres are all part of the report. Reply to your councilor with your input.
