Delegations

- 9.1. Susan Rynard  
Re: Development Charge Fees

[Development Charge Fees](#)

We also feel it is essential that Trent Lakes be accessible to families of all income levels, which has not been the case in the last decades as Trent Lakes increasingly has moved towards an exclusive expensive system that excludes the average person. Like many people who took up post war cottaging, my family was and is one of modest means, and we certainly would never have been able to afford to buy a cottage in today's market. We sincerely hope that Trent lakes will grant us some accommodation in the form of a refund or significant reduction for our development fees as well as the high building permit fee.

Susan Rynard presented at the meeting. Sister built in 2015 on one side and had no development charges.

Armstrong move to receive the report and have staff review.

- 9.2. Pam Dickey, Trent Lakes Selwyn Seniors  
Re: Emergency Grant Request for Christmas Hampers for Area Seniors

[Emergency Grant Request for Christmas Hampers for Area Seniors](#)

In previous years, Community Care Buckhorn has provided area seniors with a Christmas Hamper which includes a frozen turkey dinner and various treats. Last year, a decision was made by the Coordinator not to continue this project and at the last minute, volunteers of Community Care stepped up and provided the hampers. With the thanks of financial donations from various organizations and private individuals, we were able to provide 25 seniors with two full days of meals and numerous surprises. Sadly, this year none of the volunteers are willing to continue with the program. Trent Lakes Selwyn Seniors have decided to take over this program, however, due to the lateness of this decision; we are scrambling to acquire funding to purchase the much need meals.

I am asking if it would be possible for the Municipality of Trent Lakes to provide an emergency grant of \$500 to assist with this wonderful program.

Franzen – Does Selwyn provide anything?

Dickey - nothing

Cadigan – how muc money are you looking for?

Dickey – As much as you are going to give me. meals will cost me \$410

Motion to support the \$500 request was passed.
