- 9.1. Audrey von Bogen, President, Beautiful Buckhorn
Re: Buckhorn Buck

[Buckhorn Buck](#)
[Background Information](#)

We request the Council's consideration for the transfer of ownership (and maintenance) of the iconic Buckhorn Buck to the Municipality. We also request the Council's consideration for the transfer of ownership of the geranium and water barrel assets and the annual purchase, planting, and maintenance of geraniums.

Disclosure - Franzen first reported buck in 2010 and assisted in fundraising when I was president in BDTA

Braybrook - I think it is a legacy as well as the geraniums.

Franzen - regardless of what happens I will do the reporting next year.

Armstrong - I would suggest approach Selwyn to pay their share.

Deputy Mayor - Motion - receive the report and direct staff to come back with a report concerning the viability of the management of the assets and contact Selwyn.

Franzen second

Motion carried.

Lambshhead asks for deadline.

Armstrong By the end of the year

Amended motion. Carried.
