

# Buckhorn Ratepayers Association Meeting

## Tuesday April 9, 2024

### Buckhorn Community Centre, 7 pm.

## Topic: The Kawartha Land Trust

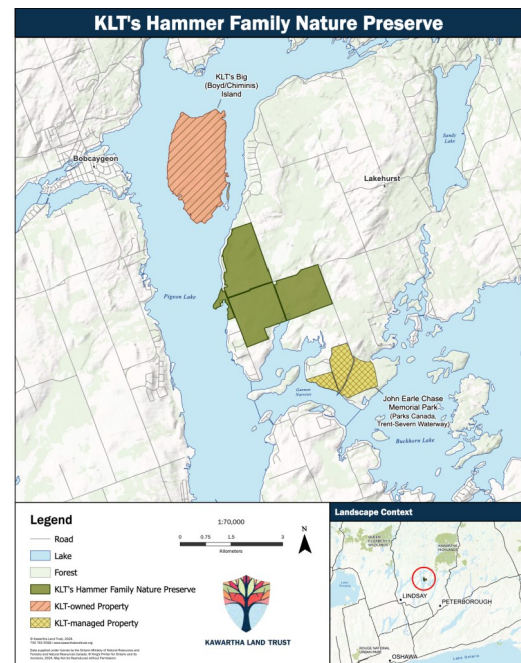

**Speaker: Thom Unrau**, Director of Community Conservation for the Kawartha Land Trust (KLT), a land conservation charity that cares for lands entrusted to them and helps others protect the land they love in the Kawarthas.

Founded in 2001, KLT protects ecologically diverse lands across the Kawarthas, some of which include hiking trails that introduce thousands of people to nature in the Kawarthas every year. Their success depends on the work of a dedicated and growing team of donors, volunteers and supporters.

KLT currently protects 34 properties covering 6,750 acres of important diverse types of land.

Thom will tell us about the KLT, its mission, its properties and various ways to become involved with the organization.

The Hammer Family Nature Preserve (1,400 acres) the John Earle Chase Memorial Park (400 acres) and Boyd/Big/Chiminis Island (1,142) are three large properties protected and managed by KLT in our municipality.
